Caring for NYC’s Historic Treasures since

What Unites Us Where were you in 1989? *Driving Miss Daisy* was lighting up the big screen, Paula Abdul ruled the radio waves, the colorfully geometric Memphis design movement was at its height, and in a stroke of good fortune for the treasures of New York City, the Historic House Trust (HHT) family was formed. In the 30 years since, HHT has evolved and matured as an organization, and our devoted members have been alongside us for the entire journey. As the world becomes increasingly divisive, HHT is more grateful than ever to be part of a family united by a shared passion for history and storytelling. 

Become a member of the Historic House Trust and join our family. Members receive free admission to the historic house museums in the HHT collection, access to special events, and more (full benefits on reverse). Simply fill out the reply form and mail it back with your donation in the envelope provided, or visit our website to join online!

Power in Diversity Family is what you make it. No matter how you define your own family, it is made strong by shared memories, commitment to one another, and common hopes for the future. HHT’s family consists of the 23 remarkable historic sites entrusted to our care, the evolving past that these places embody, and the people dedicated to ensuring that this history survives and thrives. Each of these sites, stories, and people exhibit a distinctiveness that brings power to the whole. Become a member and add your unique strength to our family.

A Voice for Change Change happens when voices unite. With HHT’s recent launch of a multi-year initiative to improve physical and intellectual access to our sites, and an expanded focus on telling the stories of often-overlooked communities, we are using the strength of our family to ensure that everyone has a voice at the table. Your support as a member is essential in helping HHT create an innovative future where differences are treasured and access is created for all.

Become a Member Today Whether you have been a part of HHT’s family since our founding in 1989 or you are new to our work, membership to the Historic House Trust is one of the most engaging ways for you to become a part of our significant mission. Become the newest member of our dynamic family by filling out the reverse form or joining at www.historichousetrust.org!
By supporting HHT’s work of preserving, promoting, and providing expertise to the 23 extraordinary historic sites in our collection, your membership ensures that NYC’s rich architectural and cultural heritage remains a vibrant educational tool for future generations. Join us in fostering places where all voices are heard and meaningful memories are made.
